ROOMS ARE NEEDED

For the Annual Convention of Cemetery Superintendents.

As is generally known, the 1917 annual convention of the National Association of American Cemetery Superintendents is to be held in Barre Aug. 28, 29, 30 and 31. On that occasion there will be several hundred out-of-town delegates, including their ladies, in Barre. These delegates are coming to Barre from nearly every state in the union and from some parts of Canada. It is up to the people of Barre to show our guests Barre's true hospitality and extend to them a reception and entertainment such as all Barre citizens will be proud of. Barre's hotels will do their best, but these hotels have not sufficient rooms to accommodate all the delegates, consequently, it has been decided to ask all citizens of Barre, who can, to show their hospitality in allowing these delegates the use of one or more rooms in their home for these four days. The room committee was instructed to furnish 250 rooms, for the use of which you may charge the occupant one dollar per day. It will greatly facilitate the work of the room committee if you will personally see, write or telephone any member of the following committee your willingness to assist by furnishing a room, otherwise the committee will be obliged to personally call at your house.

Angelo Scampini of Berlin street kept open house to a large company of Barre people at his farm in Roxbury Saturday. A chicken dinner with side dishes of polenta and cipolla was the big noon-day feature of the gathering and the afternoon was given over to outdoor activities. A baseball game between the beneficiaries and bachelors included such diverting incidents as the home run by John Bossi and a thrilling steal to second by Ambrose Scampini, who found that pillow already occupied by two base runners. A Tomasi was credited with two triples in the tabulated score. Before the guests returned in autos to Barre, Farmer Scampini explained some of the scientific and intensive methods of agriculture in vogue since his tenancy of the Roxbury property.

When Uncle Sam Entered the War

it changed the cotton and wool situation at once. No one will get their full purchases of cotton and wool goods. Those that have not ordered won't get much of anything. Prices have changed faster in the last few weeks than in the whole year preceeding. The earlier you buy for fall the better you will be pleased with your purchases. Here are some specials that we are closing out that will help you a whole lot to save a good proportion of your money.

Specials

If we could talk to each of you people separately, we would be glad to show you conditions of the fall market just as they are. As this talk goes for an advertisement, you must use your own good judgment, based on what you get from newspaper reports on conditions as they exist in all large cities.

At this time of the year we have lots of odd kinds that we have to close out. Now in these lots you can buy lots of kinds at half price that will do you just as well for fall as they have for spring and summer.

Indigo Prints are costing in New York to-day 12 1/2c. We can sell you Percales in Indigo at 15c. These will be 25c later. Lots of things just that way if you don't wait too long.

A visit to our Bargain Basement will put you in touch with lots of money-savers. See the Wash Goods kinds that are all right to make up for fall at 15c per yard.

Our Bargain Basement has lots of just such goods as the above. One table of Gingham at 15c. These bought to-day would make the price 22c per yard.

On our first floor all of our Scotch Gingham at 29c. These in all cities at 40c, later will be 50c.

Prices later, only for our early purchases, would look ridiculous. What we have will go quickly, then we will have to follow the market.

Don't plan to buy any more than you need, but do buy that amount as soon as you are able to do so.

We have already sold several Coats for fall and winter wear. These coats are costing now from two dollars to five dollars more than our early purchases and the trade in some way know it. They are better made than later garments and styles are here that later will not be in the line. This only forecasts later conditions. Use your own judgment.

When telephone wires became crossed on Granite street this morning, the insulation took fire and occupants of the house between the tracks, fearing that the building, known as the Premier property, would become ignited, telephoned the fire station for assistance. The auto truck and several regulars responded, but before they arrived the heavy downpour of rain had flooded the wires. It was during their brief sojourn on Granite street that the Thomas street fire broke out. Linemen repaired the telephone wires later in the forenoon and the service was not disrupted for long.

Asa Tyrell of Barre Wants Damages From Moses Goslant for Accident.

As the result of an accident which occurred on the evening of July 28 near Marshfield a suit has been entered in Washington county court against Moses Goslant of Marshfield by Asa Tyrell of Barre. The plaintiff seeks to recover \$1,000, claiming that his machine was damaged to the amount of \$300 and he suffered injuries to his person the extent of which has not yet been determined. The plaintiff claims the defendant operated his automobile negligently while the cars were about to pass on the highway and that he failed to turn his machine out of the center of the road, causing a collision. Attorney John G. Gordon is counsel for the plaintiff.

Alfred Olson appeared in city court this forenoon on charge of breach of the peace, alleged to have consisted of an assault on one Pierson. Olson pleaded not guilty to the charge and the case was continued to allow the prosecuting officer more time to investigate. The Olson-Pierson affair took place in the early hours of Sunday morning. Rose Leventhal and Marion Christ appeared in juvenile court to answer to a complaint made by William Cushion but Cushion failed to make any appearance and Judge Harvey ordered the children discharged for want of prosecution.

The funeral of the 5-year-old son of Mr. and Mrs. Giacomo Facini of Berlin street, whose death occurred Saturday night of infantile paralysis, was held yesterday afternoon from the house, burial being in Green Mount cemetery. The child was taken ill Thursday, the case was diagnosed as polio on the following day and on the third day the child died. This makes the third death from the disease in Montpelier since the first case developed in June.

In probate court to-day the will of Oscar Merrill Fisher late of Montpelier was proven and James W. Brock was named executor.

Beck of Barre in city court Saturday paid a fine of \$5 and costs for breaking the provisions of section No. 132 of the acts of 1917 which provide that persons who do not notify a peace officer as soon as possible and the secretary of state within 24 hours after an automobile accident in which there is damage of property is liable to a penalty of not exceeding \$500 or imprisonment of not more than two years.
